Restauracion
Saloro

University Salamanca: Inauguration Ore rock from Barruecopardo

Environmental Day: Planting trees and plants with school children from Barruecopardo

Children Forest: Planting trees together school children from Barruecopardo.

**Local Mayors visits:
Invitation to around 15
local mayors in the
close vicinity of the**

**Social Commitee visit:
Visit by local stake-
holders to the mine
site.**

Visit by Governmental Provincial Minister and Police Department Representative

**Open Door events:
Fully booked – Success!!**

Solar Panel Park Project

Installation 2 MW

Floating panels on Dam A or MWD

Application done for a state subsidy

Contract discussion is ongoing.

Sustainability activities

Composting of all biological waste on site.

Project to produce top-soil from various rest waste products within the area of the mine.

Installation of bee-hives for “own production” on our own properties.

“Wild Animal photo traps around water ponds.

Waste Rock – Excellent material

Zero Discharge of water

New Technology – Optical Ore Sorting

Installation of Bee Hives

Santa Barbara – December 4th

“Religious act” in the mine – Concentrate room on site

Open invitation for everyone in the village – Sport hall

Meal for all employees plus partners – Sport hall, Barruecopardo

Open doors – Guided tours December 3rd

Communication –TV program

Blood donation in the mine

Donation – Medical Service Centre Electro-cardiograf

Red Cross Service – Vitigudino

Conclusions and Recommendations:

Think forward and ahead of time!

What ever what we plan to do – Impact to any stakeholders??

Good or bad?? Concerns??

Communication!!

BARRUECOPARDO TUNGSTEN MINE

An aerial photograph of the Barruecopardo Tungsten Mine. The central feature is a large, circular open-pit mine with distinct terraced levels. The mine is surrounded by a network of roads and several large, rectangular water reservoirs. The surrounding landscape is a mix of green vegetation and cleared areas. In the background, there are rolling hills under a clear sky.

Thank you!
